

Macomb County Child Advocacy Center, Inc./Care House
www.mccarehouse.org

Care House, the Macomb County Child Advocacy Center, seeks a full-time Therapist/Family Advocate. Candidates must possess a Master's degree in an appropriate mental health field, with a minimum of two years' experience in the treatment of child trauma (preferably child sexual and physical abuse), including Trauma-Focused Therapy, group psychotherapy and the facilitation of support groups. The candidate should also be familiar with legal reporting requirements under the Michigan Child Protection Act, have excellent computer skills, written and oral communication skills, and the ability to work well in a team environment. The Therapist/Family Advocate reports to the Clinical Coordinator, works closely with Care House staff, volunteers and interns, members of the multidisciplinary team, Care House Program Committee and Board of Directors, as well as other stakeholders as needed to sustain and advance the mission of Care House and provide services to child victims of abuse and their non-offending family members.

Care House has offices in two locations: Mount Clemens and Warren, Michigan. This position requires the ability to work at both locations. The position requires 40 hours per week of crime victim support services with flexibility in scheduling, including evenings and occasionally on weekends.

The salary range for this position is between \$52,000 - \$57,000, depending on experience. Care House offers benefits, including health care, dental and vision insurance for all full-time staff and access to a 401(k) and flex spending plans. Care House also promotes a healthy work-life balance, including flexible work schedules and a generous vacation/holiday policy.

Care House is a private, non-profit agency whose mission is "to prevent and reduce the incidence and trauma of child sexual and physical abuse in Macomb County through collaborative, multidisciplinary and effective family-centered activities."

We welcome applicants who meet the position criteria to apply to join our team. Care House is an Equal Opportunity Employer. All candidates are subject to comprehensive background screening. A detailed job description for the Therapist/Family Advocate position is included below. More information on Care House may be found at www.mccarehouse.org

Please send resume with cover letter to Dorie Vazquez-Nolan, Executive Director at doriev@mccarehouse.org by Friday, June 8, 2018.

Care House Job Description Therapist/Family Advocate

Job classification and status: The Care House Therapist/Family Advocate is a salaried, grant-funded position and can be terminated with or without cause. The position requires 40 hours per week of crime victim support services with flexibility in scheduling, including evenings and occasionally on weekends. This position is contingent upon continued grant funding. This position is under the supervision of the Care House Clinical Coordinator.

Therapist: Provides counseling duties as assigned up to 20 - 25 contact hours per week, including:

1. Build therapeutic alliance with client and non-offending caregivers.
2. Assess client/family needs using appropriate assessment methods.
3. Develop treatment plans using client-directed treatment planning and evidence based practice interventions.
4. Provide a confidential, safe environment to deliver evidence based practice interventions.
5. Review treatment plans to track progress towards goals and the possible need for revisions.
6. Provide aftercare planning.
7. Keep accurate records of counseling sessions, including chart and case notes and make needed revisions in a timely manner.
8. Facilitating Support and Treatment Groups
9. Work with groups of all ages, both therapeutically and supportive.
10. Gather information about community mental health needs and community resources that could be used in conjunction with therapy.
11. Attend weekly therapeutic supervisory sessions.
12. Attend ongoing trainings to increase skills and knowledge in order to maintain competency.
13. Provide follow-up advocacy services to therapeutic clients, while clients are in your care.

Family Advocate: Provides advocacy and support services to clients as needed, including:

1. Provide crisis counseling and intervention services to families.
2. Provide information regarding dynamics of abuse and the multidisciplinary response
3. Provide updates to families by tracking the case from inception to end. Maintain contact with MDT for case status and follow-up with families to advise them of their case status.
4. Provide assistance to families in accessing/obtaining victim's rights as outlined by law
5. Work closely with families to assure that all materials explaining victim's rights are available and understood. Assist with Crime Victim Compensation forms as needed and make calls on the family's behalf to obtain information and resources they need or request.
6. Provide families with court education and support.
7. Assist with access to treatment and other services. Care House, through its many community linkages, assists families in accessing mental health or medical services, protective orders, housing, public assistance, domestic violence intervention, transportation, etc.

8. Follow-up contacts with families. A regular schedule of follow-up phone contact with clients at 2/4 weeks and again at 6 months is in place and followed on each case.
9. Attend monthly Case Review meetings as part of the MDT.

Other Responsibilities:

1. Under the direction of the Clinical Coordinator, the Therapist/Family Advocate may provide supervision for Advanced Placement Graduate Interns in counseling, social work and family advocacy.
2. Under the direction of the Intervention Coordinator, Therapist/Family Advocates may observe and transcribe Forensic Interviews.
3. The Therapist/Family Advocate will adhere to the professional ethics established by the National Association of Social Workers. (NASW) or American Counseling Association (ACA) in their Code of Ethics, keep their license current and in good standing. They will attend, at minimum, the required number of Continuing Education Hours (CEU'S) and provide verification of attendance.
4. The Therapist/Family Advocate will adhere to the policies outlined in the Care House Policy and Procedure Manual and the Care House Employee Manual.
5. The Therapist/Family Advocate will participate in staff and program meetings, public speaking engagements, collaborative activities and other duties as assigned.

Other Requirements:

The physical environment is an office building. The position requires the ability to sit at a desk, work on a computer and do some light lifting. All Care House employees must have no criminal convictions (felonies/crimes) of child abuse/neglect or violent crimes and no listing as a perpetrator on the Department of Human Services Central Registry.

Employees must be able to deal with a variety of emotions under stressful situations and be able to deal with people who may be very upset. Emotional stability and personal maturity are essential.

The above job description is intended to summarize the essential functions of and requirements for the performance of this job. It is not meant to be an exhaustive list of miscellaneous duties and responsibilities that may be requested in the performance of this job. Employees are occasionally required to participate in activities outside of normal business hours.

All employment relationships with Care House are of an at-will nature, may be terminated at any time, with or without cause, and with or without notice. Nothing in any job description, employment agreement, personnel policy or future evaluation shall alter the at-will nature of this employment nature.

The Macomb County Child Advocacy Center, Inc./Care House is an equal opportunity employer and maintains a policy of nondiscrimination with respect to all employees and applicants for employment. All personnel actions, such as recruitment, hiring, training, promotion, transfer, layoff, recall, compensation and benefits, discipline, termination, and education, recreational, and social programs are administered without regard to sexual orientation, race, color, sex, religion, national origin, citizenship status, age, disability status, opposition or participation activity protected by applicable law, or membership or application for membership in a uniformed service. Employment decisions, subject to legitimate business requirements of Care House, are based solely on an individual's qualifications, merit and performance.
