

Care House Job Description Therapist/Family Advocate

Job Title: Therapist/Family Advocate
Supervisor: Care House Program Director

Last Revision Date: February 1, 2024
Salary Range: \$58,000 - \$64,000

Care House, the Macomb County Child Advocacy Center, seeks two full-time Therapist/Family Advocates to join our team. Candidates must possess a master's degree in an appropriate mental health field, hold current appropriate licensure in good standing and have a minimum of two years' experience working with children and families in crisis and child trauma (preferably child sexual and physical abuse). The candidate should also be familiar with legal reporting requirements under the Michigan Child Protection Act. They should have excellent computer skills, written and oral communication skills, and the ability to work well in a team environment. The Therapist/Family Advocate reports to the Care House Program Director and works closely with Care House staff, volunteers and interns, members of the multidisciplinary team, Care House Board of Directors and community collaboratives as well as other stakeholders as needed to sustain and advance the mission of Care House and provide services to child victims of abuse and their non-offending family members.

Care House is a private, non-profit agency whose mission is "to prevent and reduce the incidence and trauma of child sexual and physical abuse in Macomb County through collaborative, multidisciplinary and effective family-centered activities."

Care House has offices in two locations: Mount Clemens and Warren, Michigan. This position requires the ability to work at both locations. The position requires 40 hours per week of crime victim support services with flexibility in scheduling, including evenings and occasionally on weekends.

The salary range for this position is between \$58,000 - \$64,000. Care House offers excellent benefits, including employer-paid health care, dental and vision insurance for all full-time staff and access to a 401(k) with company match and flex spending plans. Care House recognizes that our employees are our most valuable asset and promotes a healthy work-life balance, including flexible work schedules, occasional work from home days and a very generous vacation/holiday policy. Care House also supports ongoing relevant training opportunities for all employees.

4. Provides a confidential, safe environment to deliver evidence based practice interventions.
5. Reviews treatment plans to track progress towards goals and the possible need for revisions.
6. Provides aftercare planning.
7. Keeps accurate records of counseling sessions, including chart and case notes and make needed revisions in a timely manner.

8. Facilitates Support and Treatment Groups
9. Provides trauma assessments and suicide/safety assessments as needed
10. Gathers information about community mental health needs and community resources that could be used in conjunction with therapy.
11. Attends weekly therapeutic supervisory sessions.
12. Attends ongoing training to increase skills and knowledge in order to maintain competency.
13. Provides follow-up advocacy services to therapeutic clients, while clients are in your care.
14. Consistently demonstrates professional behaviors and leadership skills that are in support of the mission of Care House and serves as an advocate for the agency and its clients to support and promote quality standards for child abuse investigations in Macomb County.

Family Advocate: Provides advocacy and support services to clients as needed, including:

1. Provides crisis counseling and intervention services to families.
2. Provides information regarding dynamics of abuse and the multidisciplinary response
3. Provides updates to families by tracking the case from inception to end. Maintains contact with MDT for case status and follow-up with families to advise them of their case status.
4. Provides assistance to families in accessing/obtaining victim's rights as outlined by law
5. Works closely with families to assure that all materials explaining victim's rights are available and understood. Assists with Crime Victim Compensation forms as needed and make calls on the family's behalf to obtain information and resources they need or request.
6. Provides families with court education and support.
7. Assists with access to treatment and other services. Care House, through its many community linkages, assists families in accessing mental health or medical services, protective orders, housing, public assistance, domestic violence intervention, transportation, etc.
8. Makes follow-up contacts with families. A regular schedule of follow-up phone contact with clients at 2/4 weeks and again at 6 months is in place and followed on each case.
9. Attends monthly Case Review meetings as part of the MDT.
10. Provides community outreach as needed.
11. Maintains cross-cultural awareness in the performance of all duties.

Other Responsibilities:

1. Under the direction of the Program Director, the Therapist/Family Advocate may provide supervision for Advanced Placement Graduate Interns in counseling, social work and family advocacy.
